The diagram illustrates a class hierarchy. At the top is the 'NativeTable' class, represented by a rectangle divided into three horizontal sections. The top section contains the class name. Below it are two empty sections. At the bottom is the 'tfLite::LogicalOrOptionsT' class, also a rectangle divided into three horizontal sections. The top section contains the class name. The middle section is shaded gray and is empty. The bottom section is shaded gray and contains two public methods, each preceded by a '+' sign. A blue arrow with an open triangular head points from the top of the 'tfLite::LogicalOrOptionsT' class to the bottom of the 'NativeTable' class, indicating inheritance.
