

std::is_scalar< T >

The diagram consists of two rectangular boxes. The top box is white with a thin gray border and contains the text 'std::is_scalar< T >'. It is divided into three horizontal sections by two thin gray lines. The bottom section is empty. The bottom box is gray with a thick black border and contains the text 'flatbuffers::is_scalar< T >'. It is also divided into three horizontal sections by two thick black lines. The bottom section is empty. A blue arrow points from the top center of the bottom box to the bottom center of the top box, indicating an inheritance or specialization relationship.

flatbuffers::is_scalar< T >
