

std::is_enum< T >

```
classDiagram
    class std_is_enum["std::is_enum< T >"]
    class flatbuffers_is_enum["flatbuffers::is_enum< T >"]
    flatbuffers_is_enum --|> std_is_enum
```

The diagram consists of two rectangular boxes. The top box is white with a thin grey border and contains the text 'std::is_enum< T >'. It is divided into three horizontal sections by two thin grey lines. The bottom section is empty. The bottom box is grey with a thin black border and contains the text 'flatbuffers::is_enum< T >'. It is also divided into three horizontal sections by two thin black lines, with the bottom section being empty. A blue arrow points from the top center of the bottom box to the bottom center of the top box, indicating an inheritance relationship.

flatbuffers::is_enum< T >
